"Lost Battalion" Head, Who Told Huns to "Go to Hell," Returns to U. S.

New York, Nov. 15.—Lieut. Col. Charles M. Whittlesey, leader of the famous "lost battalion" of the 77th division, who sent the Germans word to "go to hell" when, after surrounding them in the Argonne forest, they demanded surrender, arrived on the same steamer with Lieut. Thomas Hitchcock, Jr., member of the Lafayette flying squadron, who escaped last summer from imprisonment in Germany.

The latter is on his way home to Westbury, L. I., he reached there last August 27, after tramping 100 miles through German territory, following his escape from guards.

Hitchcock was shot through the thigh and his machine disabled in a fight with three German planes March 6 last, and was forced to descend within the enemy lines.

Lose Your Fat, Keep Your Health

Superfluous flesh is not healthy, neither is it healthy to diet or exercise too much for it. It is the cause of many diseases, and for inducing the several body ills, three out of four who work in the Marmola Method, tried and endorsed by thousands, Marmola Prescription Tablets, containing exact doses of the famous prescription, are sold by druggists at 25 cents for a large case, or 10 cents for a small one. They are sent direct to the Marmola Company, 414 Broadway Ave., New York City. They are harmless and leave no wrinkles or blemishes. They are popular because of their safety and convenience.

"HAS BEEN A FRIEND TO ME"

Says Lady, Regarding Cardui, in Giving This Well-Known Woman's Tonic Credit For Her Good Health.

Cleveland, Tenn.—Mrs. Joanna Feller, of this place, after telling of the help she obtained from the use of Cardui 12 years ago, when it built up her health and strength, says further: "The next time I used it (Cardui) was about 4 or 5 years ago. I had . . . and was just able to drag around for a good while, getting worse all the time. I suffered intense pain in the lower abdomen and back. . . . Could hardly do my work, it was all a drag . . . and walking was very painful for me. I finally had to give up and go to bed, where I stayed about a week. . . . and then turned back to Cardui, my old friend.

After starting the Cardui, I was able to be up in 2 or 3 days. The pains were relieved soon after beginning to take the Cardui, and when I got up, walking was easy for me. . . . Get back my health and strength. . . . and in 2 weeks was able to do most of my work.

It's a fine medicine, and has been a good friend to me, and I am a friend to it too. It's through taking Cardui I have been well and strong and in good health for the past 4 or 5 years. . . . I will always praise it."

Cardui should do for you, what it has done for thousands of other women. It should help you, try Cardui.—Adv.

Home-Mixed Cough Syrup, Very Cheap, Very Effective.

Mrs. Joseph Matheux, 445 Jefferson street, Tiffin, O., writes: "I have used the Mentho-Laxene for colds. Must say I find it better than any cough syrup I have ever used yet. I coughed night and day for a week. After I got the Mentho-Laxene to use the coughing stopped in three days, etc."

Just buy a 24-ounce bottle of Mentho-Laxene (it is richly concentrated) and mix it with simple syrup, as per direction, with bottle, and then you will have a whole pint of the finest, mildest, cold, cough, and croup medicine you ever used, and no opiates or narcotics, either. Hundreds of thousands of people now make their own medicine to avoid expense and uncertainty. Mentho-Laxene is sold by all good druggists, everywhere. SANTA CLAUS invites the Children of El Paso to be his guests tomorrow. A long time ago we planned that the Children would have Christmas this year regardless of war conditions. In fact, it was one of the Government's stipulations that the Children should have their toys. Now that Peace is at hand, we have redoubled our efforts.

Toy City and Doll City is an El Paso institution. It grows bigger and better with each Christmas. It is an institution that stands for all that is bright and beautiful in the hearts and imagination of Children. Bring them often and come yourself!

In The Land of Playthings

OUR Christmas stock of Toys is a credit to American Toy makers. They may not be just as finished as Toys of other times, but remember those Toys came from a land that spent 40 years in planning the most horrible war in history. Forget that such toys ever existed and be glad that your Children's Toys are made in the U. S. A.

The list opposite tells you in part what you will find in Toy City and Doll City.

Santa's Souvenir

ALL Kiddies who come tomorrow morning accompanied by an older person will be given a souvenir. This is a big "Ring My Nose" Game and will be given with the compliments of Santa Claus.

HOURS ARE
Santa Claus will be Host to the Children at the following hours:
10 to 12 A. M.—3 to 5 P. M.
